# Hand-Crafted, Comfort, Support and Luxury

## Dynasty Series

The Sealy Posturepedic Dynasty Series is designed for people who recognise the importance of providing a quality night's sleep. Our handcrafted sleep systems deliver a level of comfort and support that your customers won't want to leave.

### StayTrue Comfort Layers

- Improved Foam and Fibre technology and densities for better performance and a longer comfort life
- Plush comfort layers help relieve pressure points and provide a better quality sleep

### Posturepedic Innerspring Technology

- For orthopaedically correct back support
- Twice Tempered Steel for added durability
- 600 Coil Count (Double Sized Unit)

### UniCased Technology

- Superior Single-Sided Technology
- Greater sleeping surface, uniform comfort edge to edge and a firm and durable seating edge

### Shock Abzzorber Foundation

- Flexes in just the right way to absorb shock and motion, and works in conjunction with the Sealy Posturepedic UniCased mattress to give your sleep set a longer comfort life

### Superior fit, finish and appointments

- Gold Hooded Castors
- Fire Retardant Damask
