

# Protection and Longer Life

EziCare®

“Protect your bedding investment.”

EziCare® is a revolutionary development for the Commercial industry designed to protect your bedding investment. EziCare® fabric inhibits moisture/fluid passing through to the mattress promoting a longer mattress life and reducing maintenance and room down time.

- Reduced Maintenance Costs
  - EziCare® helps prevent moisture and liquid transferring through to the mattress reducing the maintenance costs in cleaning and moving mattresses.
- Extended Mattress Life
  - EziCare® is your insurance policy for a longer lasting mattress. EziCare® can help protect against spills and stains that can reduce the life of your bedding investment.
- Reduced Room down time
  - A spill can mean a room needs to be closed while the mattress is cleaned. EziCare® helps to prevent this.
